

**GC3631** Patient Mid Back Medical Chairs with open arms and SSU armcaps

Primacare HT is the “steel frame” version of the highly successful Primacare Medical Chairs series. Primacare HT delivers the superior strength required in high traffic (HT) environments and visually coordinates with the original Primacare wood series to provide a comprehensive ‘one spec’ solution.

Infection control and housekeeping practices have been respected throughout the design, detailing and construction, making Primacare HT the number one choice for healthcare professionals, caregivers and specifiers.

Primacare and Primacare HT is the largest, fully integrated solution of medical chairs for acute care and elder care applications, and the "perfect solution" for clinics, emergency, waiting, treatment areas, patient rooms, dining rooms and lounges.

**NEW | PRODUCT**

**FEATURES**

Open Arms.
